

Helping Expats to Relocate in Switzerland

No Pre-payment or Hidden Fees

Our fee equivalent of one month's rent is only required AFTER your successful rental apartment contract is signed off. We offer transparency & peace of mind.

Who We Are

Swiss Expat Realtor is a boutique expat relocation specialist company based in Zurich started by dedicated former expats, curating personalized home search strategies that cater to expats' individual needs.

Why Choose Swiss Expat Realtor

Time Saving

Moving to a new place takes up lots of time and resources. We organise everything so expats can spend their time on more important things.

Former Expat Perspective, Local Knowledge

We recommend suitable neighborhood for expats (and their family) from expat viewpoint as well as how things work in Switzerland from our local experience.

Personal Network

We utilize our personal network to help shortlist suitable properties for expats, including those that are not listed in the market yet.

Application & Advocacy

We step in using our local language skills, contacts and experience to advocate for our clients' applications, increasing their chances of securing the property.

Multilingual

We are multilingual in English, Swiss German and Mandarin. Bridging communications and culture gap between expats, the landlord/agencies and local authorities.

Professional & Trust

Our clients highly recommend our company based on our professional services while navigating a highly competitive housing market.
